

Cooking Workshops

Bonjour NY offers private Cooking lessons. Our staff provides 45 minutes sessions tailored to each camper's needs.

In these 45min classes each adult and child team will work together in the kitchen. We will introduce them to new ingredients, teach skills like measuring and cutting (using only kid safe tools of course!), how to follow instructions, and hopefully breaking some picky eaters out of their habits!

This program is open to all campers ages 3.5 to 11 years old.

We offer small group sessions (up to 5 students of similar level). Families may choose to add Cooking lessons for any week of enrollment. Campers may take between 1 and 2 cooking lessons/ week (half day campers can only register for the Friday lesson).

Cooking sessions integrate seamlessly with the Bonjour NY schedule. Each camper attends 5-6 activities daily; those enrolled in personalized tutoring spend one of these periods or the quiet time period working with our tutors. Personalized tutoring is not included in base tuition and is available as an optional add-on during registration.
