

Swimming Lessons

Bonjour NY offers private swimming lessons. Our staff includes certified Lifeguards and instructors who provide 30 minutes sessions tailored to each camper's needs. Parents enrolling their campers for swim lessons are asked to communicate with the Aquatics Director to determine areas for improvement. Whether your child needs to acclimate to water or develop their stroke, our swim instructors will tackle these areas and help them build the confidence and skills targeted.

This program is open to all campers ages 3.5 to 11 years old who want to learn and improve their swim skills. All swimming proficiency levels are welcome.

We offer one on one sessions and small group sessions (up to 5 students of similar level). Families may choose to add swimming lessons for any week of enrollment. Campers can take one or two swimming lessons/week.

Swimming lessons integrate seamlessly with the Bonjour NY schedule. Each camper attends 2 weekly recreational swimming sessions per week. Those enrolled in swimming lessons spend an additional period in the water working with our instructors. Private swimming lessons are not included in base tuition and are available as an optional add-on during registration.
